

**Girl Scout Troop 2000**

Horse-back riding, hiking, and a cook-out were the order of the day on June 24th when Girl Scout troop 2000 journeyed to Griffith Park for an all day outing.

The girls hiked to the Griffith Park Observatory accompanied by Ethel Findley, Gloria Trygstad and Marty Lehr. Their mascot Einer, (German shepherd dog) went along. Kathy Choquette was in charge

of the first aid kit. The girls took notice of different species of trees, ferns and plants while on hike.

The scouts were taught how to handle and ride horses at the River Ridge stables in Glendale.

A cook-out was enjoyed by the girls in Ferndell in Griffith Park. Patrol F, consisting of Sandra Chmielewski, patrol leader, and Andrea Findley, Carol Greninger, Donna Flicker, Karen Williams and Lenore Mormino planned the food under the direction of Ethel Findley.

Patrol H set the tables under the direction of leader Dianne Lippert, Teresa Shivar, Vickie Townsend, Patti Franco, Marty Lehr, and Arlene Hopkins.

Patrol S with leader Sandra Olson and girls, Toni Sue Ainsley, Helen Somol, Dianna Bran-

non, and Linda Clark, served. Patrol K. P. leader Karen Trygstad and her girls, Deborah Cote, Nancy Nuttmann, Janice Webb, and Susan Lillywhite kept the park clean.

The troop worked on their cook-out, hostess, hikers and cat and dog badges. They are completing their swimmers badge at El Camino College. After this they will start on a first aid course.

The troop is planning a trip to United Airlines through the courtesy of Kenneth Breidenfeld, United Airlines pilot. This outing is planned for sometime in July.

**Board Gets Added Funds For Schools**

Budget prospects for the Torrance schools brightened somewhat this week, as the district received an additional \$88,000 from the state school aid fund.

An additional \$80,000 also should be forthcoming as the result of the legislature's adoption of Gov. Brown's budget, Superintendent J. H. Hull reported. However, school officials are waiting to get final assessed valuation figures, particularly on the contested inventories and utilities.

Action on a salary increase probably cannot be taken before the figures are in next month, Hull said. If assessed valuation figures are as high as expected, prospects for a two per cent raise are good, he said. School districts throughout the area generally have been raising teachers salaries.
